

March 16, 2020

The health, welfare and safety of our Residents, their family and our staff is paramount.

Due to concerns over the spread of the Covid19 virus, we are restricting visitors to only those who are 'essential' to the well-being of our residents.

Children under the age of 18 will not be allowed to enter the building.

Visitors will need to fill out a short health screening questionnaire when entering the building.

Thank you for your patience during this difficult time.
